

Fleet is more than just trucks.

Local Government Fleet is more than just trucks.

When purchasing through Local Buy LGA Arrangements you get great pricing and service direct from the manufacturer with delivery through your local dealership. Plus, what our suppliers offer goes beyond the ordinary truck!

If it's a garbage compactor, street sweeper, or road maintenance unit you require - rest assured we can give you access to the best suppliers in Australia. With Local Buy LGA Arrangements, you have access to all types of trailers, tankers, and truck bodies from a broad range of local suppliers to suit your specific needs.

And when you are up and running, fuels, tyres, and spare parts are also covered. At Local Buy, we understand that managing your fleet is also super important. That's why we have included FMIS, IVMS, Fleet Consultancy, Asset Disposal, Rental, and Leasing to our list of services available under these Arrangements.
