NORTH QUEENSLAND GOVERNMENT
PROCUREMENT FORUM

31 MAY 2018

Double Tree Hilton, Cairns

PLAN

BUY

DELIVER

WELCOME

Local Buy was established by the Local Government Association of Queensland (LGAQ) in 2001 to support Queensland councils to reduce the risk, time and costs associated with their internal procurement requirements. Local Buy offers specialist procurement services to Queensland's 77 Councils, State Government Departments, Government Owned Corporations, Universities, Not-for-Profit and Charitable organisations.

In July 2017, the LGAQ combined Local Buy and its other four entities to become a new organisation, Peak Services. While part of this new organisation, Local Buy will continue to maintain separation between its pre-qualified arrangements and the other operating divisions of Peak and will continue to require Ministerial approval before being able to supply under an LGA Arrangement.

This is the first Government Procurement Forum to be held in North Queensland and we look forward to you joining us in May in Cairns to network with your colleagues and Local Buy suppliers.
