

QUARRY PRODUCTS, GEO, LANDSCAPE (CQ)

LBR291

LBR291 is a regional arrangement for CQ to cover the supply of Quarry Products, Geosynthetics (HDPE), Landscaping & Associated Materials to Councils within this region.

This arrangement provides Central Queensland councils and approved purchasers with access to a range of products from pre-approved suppliers. It provides streamlined procurement, rather than an open tender for engagement of any value, resulting in significant time and cost savings.

ABOUT LOCAL BUY

All councils strive to support their local businesses, but council procurement is costly, takes time, needs to manage fraud and corruption risks, and must also comply with Queensland Audit Office standards.

Local Buy helps council procurement meet legislative, reputation and compliance needs, simplifying the process by connecting councils to pre-qualified local Queensland suppliers, big and small. This saves time and money and reduces councils' need to tender, advertise and prepare contracts.

Councils were asking for help with procurement, which is why the LGAQ created Local Buy in 2001. Access to Local Buy is a valuable component of LGAQ membership. The profits from Local Buy are returned each year to the LGAQ and invested to help keep council membership fees low.

Local Buy arrangements are compliant with the [Local Government Regulation 2012](#) and Local Government Act 2009 and provide local government entities with the assurance that all suppliers are vetted and compliant based on comprehensive tender, evaluation and approval process. Equivalent provisions are found under the [City of Brisbane Act 2010](#) and the [City of Brisbane Regulation 2012](#).
